TARIKH : 15 MEI 2024 (RABU)
MASA : 09.00 PAGI – 4.30 PTG

The Lean Healthcare Seminar was held on May 15, 2024 officiated by our Hospital Director, Professor Dr. Mohd Zamrin Dimon. This seminar was delivered by Dr. Maizatulizyami Kayat, the Senior Assistant Director/Head of the Hospital Development Division, Ministry of Health Malaysia. Our staff had a productive day learning about the overview of Lean, an introduction to Lean Healthcare at the Ministry of Health Malaysia, Lean principles, and methods for managing change.

KPI YEAR 2023 DATA VERIFICATION

KAMPUS PUNCAK ALAM

Key Performance Indicators (KPIs) are specific metrics used to monitor, analyze, optimize, and improve hospital processes. They are crucial for maintaining high standards of care and improving operational efficiency.

As part of our ongoing quality improvement efforts, we recently completed our KPI Year 2023 Data Verification on July 6th, using an adapted KPI Data Verification form from the Ministry of Health, Malaysia, to ensure the process was objective and systematic.

We are pleased to report that most primary data collectors have been accurately collecting data and the majority of clinical and supporting clinical departments met their KPIs for the past year.

Thank you to all the dedicated departments for your cooperation.

**CLINICAL AUDIT
MASTERCLASS**

KAMPUS PUNCAK ALAM

The Clinical Audit Unit, led by Dr. Azrina Ahmad @ Mohd, Associate Professor Dr. Suzanna Daud, and Dato' Dr. Khalid Ibrahim, with the participation of Associate Professor Farnaza, is dedicated to enhancing healthcare quality through systematic evaluation and improvement. We organize monthly Masterclass Sessions, which are hands-on workshops where our facilitators guide participants from topic selection to conducting audits and preparing reports. All templates are provided for you. Do check when is your department's turn.
